

CASE SUBMISSION GUIDELINES

1. General Information

- Submission is only available through the submission website - <https://submission.summitmd.com/login.php?iid=45>
- Case submission ends on **August 26(Fri), 2022**. Please make sure to meet the deadline.
- For submission, please join: <https://www.summitmd.com/html/login/membership.php>
If you are a member, just log in and proceed with the submission process.
We recommend you **NOT** to use Hotmail account for your ID as it blocks our notification emails (such as acceptance, alert, and invitation, etc.)
- In case you are not able to recall your Password, please click “Forget Your Password?”.
- **Please be aware that DUPLICATE CASES will not be allowed.**
- Accepted cases will be posted on the conference website.

2. Title

- The title of case should be within 300 bytes and must be specific, containing no abbreviations and clearly indicating the nature of the study.
- The first letter of each word should be capitalized.

3. Author(s)

- The first author and presenter should be indicated when you list up authors.
- Please make sure that contact information is accurate. Once you submit a case, all important information will be given to submitter(you) and presenter via email and/or mobile number.

4. Case Categories

- Select one category that is closest to the subject of your case.
- If the category does not match the subject of yours, you may receive a low score from the reviewers.

Complex PCI
- Calcified Lesion - Long Lesion - Tandem Lesion - Bifurcation / Left Main Diseases and Intervention - Chronic Total Occlusion - Multi-Vessel Disease - Small Vessel Disease
High-Risk Intervention (Diabetes, Heart Failure, Renal Failure, Shock, etc)
Vascular Access (Transradial)
Adjunctive Procedures (Thrombectomy, Artherectomy, Special Balloons)
Complications
DES / BVS
- Stents (Bare-metal, Drug-eluting) - Bioresorbable Vascular Scaffolds
Imaging
- Invasive Imaging (IVUS, OCT, Spectroscopy, etc) - Non-Invasive Imaging (CTA, MRI, 3D-Echo, etc) - Physiologic Lesion Assessment - Vulnerable Plaque

5. Case Content

- Cases must be submitted in English.
- The case body consists of Clinical Information, Procedural Step and Conclusion.
- Cases may be entered directly into the site or copy and pasted, however, be sure to check again whether special terms or symbols are not broken.
- Do not include patient’s full name (initials or identifier number allowed).
- The maximum numbers of characters allowed in the body of clinical information is 1500 and 2200 for Procedural Step and Conclusion.

- The minimum numbers of characters allowed in the body of clinical information is 600 and 700 for Procedural Step and Conclusion.
- Images or videos should be included to show the procedure.
- Use zeros before decimal points: 0.05, not .05.
- Use decimal points, not commas: 0.05, not 0,05.
- Use lower-case "p" values ($p < 0.05$).
- Provide manufacturer name and location in parentheses for all brand or trade names.
- Never use the underline feature to denote the following symbols: \pm , \leq , \geq .
- Use space between numbers and symbols. (e.g., 3 ± 4 , not 3 ± 4 ; 3 mg, not 3mg).
- All measurements must include unit of measure (e.g., systolic blood pressure "140 mmHg", not just "140").
- For brand drugs, include generic names in parentheses.
- Do not include references, credits, or grant support.

6. Case Review

All submitted cases will be strictly evaluated by our official reviewers.

7. Case Notification and Acceptance

- Acceptance notification will be made on **September 16 (Fri), 2022**.
- After acceptance of cases, presentation schedule and guidelines will be sent to presenters.

8. Case Presentation

- Accepted cases will be assigned to oral case presentation sessions during the event and be posted on the E-science Station at the same time.
- Each presenter will be given 6 minutes for a presentation, and 4 minutes for Q&A with experts.

9. Case Withdrawal

- Requests for case withdrawals must be made by **October 28 (Fri), 2022**.
- Before October 28 (Fri), 2022, you may log in and withdraw any submission at any time.
- After October 28 (Mon), 2022, please email at emiliecho@summitmd.com with your submission number and title to request for the withdrawal of your case.

10. No Show Policy

- If you are unable to attend, please notify the secretariat in advance via e-mail (emiliecho@summitmd.com).
Please note if you do not show up without any notice before the meeting, you may jeopardize future acceptance of Calls for Case.

11. Copyright Information

When cases are submitted, we assume that the authors grant copyright to the Congress Organization for publication on the website <http://www.complex-pci.com> and <https://www.summitmd.com>.

12. Assistance

If you need any help for your submission, please contact us at +82-2-3010-4720 or emiliecho@summitmd.com.
